

The individual knockout tournament starts tonight
TEAM CAPTAINS – PLEASE ENSURE ALL YOUR PLAYERS READ THIS

To enter, you need to pay £5 per competition. If you do not have the money tonight, you can still register to play and must pay-in before the first round ends on March 13th. If you want to take part in the mens or ladies knockout, you MUST register before the end of the first game tonight.

If you want to take part in the mixed knockout, you MUST register AND pay on or before March 13th.

The structure of all three knockouts is the same, but the individual knockout runs two weeks behind the mens/ladies knockout so that one bad score doesn't knock you out of both (at least that's the plan).

If there are insufficient players for the first knockout round, the knockout phase for that competition will start at the appropriate round (i.e if 11 ladies enter the ladies competition (and 8 qualify) then the next round will be on May 22nd)

The total money collected from each tournament will be split 2:1 between the winner and loser of the final.

Rules summary:

All knockout tournaments are settled on handicap series pinfall. The first round is a group round and the highest power of two (8,16,32,64) that fits the number of entries will qualify for the knockout round. In the event of a tie in a knockout round, the match will be replayed the following week if time and players are available. If this is not possible, the match gets settled on highest handicap game.
